

The Rufford Review

Our Monthly Newsletter – keep up to date with what's been going on and find out what's planned.
October 25th 2019

Attendance October

Reception	95.2%
Year 1	97.2%
Year 2	91.9%
Year 3	96.0%
Year 4	97.6%
Year 5	97.0%
Year 6	96.1%

Well done, Y4! Look out Y2, it's well below target (96%) again.

Since our last newsletter...

Year 6 did a fabulous assembly for Harvest, raising £*** for Macmillan- the surplus food was taken to the Food Bank in Brierley Hill.

Y5 and Y6 attended Redhill's performance of School of Rock – their behaviour was fantastic (unlike some other local schools) and they had a great time – maybe some of them will perform in years to come. It was lovely to see former pupils on stage.

Karen Argent, a published author, came to visit Y2 and Y6 – they really enjoyed hearing from her, and she was very impressed by their work.

The NSPCC came to do assemblies for all our children from Y1 to Y6; they led workshops for Y5 and Y6 as well. We raised £**** for this great cause, thank you for your support.

Looking ahead...

Y5 are going to be cooking with Idris Caldora on 6th November – he is a Master of Culinary Arts.

Don't forget to look out old clothes etc for Bags2School – it's a really easy way to raise much needed funds for our school.

School receives extra money for children who get, or who have ever got, free school meals. This money goes directly into support for these children. Please check with Ms Laight to see if your child would be eligible, it is a simple form to fill in.

Dates for your diary

4th November – back to school

11th November – Y5 assembly

12th November – Bags2School

15th November – Children in Need

6th December – Christmas Fair

12th December – EYFS nativity play

17th December – Christmas dinner

Important:

The trip rails around the playground have been removed, and some replaced – please don't let your children climb on them.

The Junior PCSOs have continued their training, and will be out soon to look at parking – watch out if you park without care!

Your child may come home and tell you that they need to crawl on the floor – this is true, as crawling helps them to build the core strength they need in their bodies to sit up and write.
